Group Role Stickers

Team Members

(pack of 10 sheets)

The Working With Others approach focuses on practical ways of building positive learning relationships within the classroom.

This pack of Group Role Stickers consists of 60 team member 76mm stickers.

These stickers offer a practical solution to exploring group work with your pupils. They encourage pupils to

- **reflect on different roles in groups**
- **develop group work vocabulary**
- **build class relationships**

Suitable for use with individuals, small groups of pupils or whole class activities, Group Role Stickers can be used in a variety of ways.

For example

a. to assign group roles to pupils before they work in groups - as an extension of this ask pupils with the same sticker to talk together about this role after the activity

OR

b. where there are different roles in a group, ask pupils to talk together about their roles.
