Animal Cards

(pack of 42 cards)

The Working With Others approach focuses on practical ways of building positive learning relationships within the classroom.

This Animal pack consists of 42 cards:

- 14 animals in 3 sections
- 7 different background environments

These cards offer a practical solution to randomly group your pupils in a variety of ways.

For example, ask pupils to

a. find the other parts of their animal (groups of 3)

OR

b. find everyone with the same body part as them (up to groups of 14)

OR

c. make up a creative animal with parts from different environments (groups of 3)

OR

d. make up a creative animal from the same environment (groups of 3)

OR

e. find animals from the same environment (groups of 6).
