## Shape & Colour Cards

(pack of 36 cards)

The Working With Others approach focuses on practical ways of building positive learning relationships within the classroom.

The Shape and Colour pack consists of 36 cards:

- 2 x 6 shapes - square, rectangle, triangle, circle, pentagon, hexagon
- 2 x 3 colours - secondary and primary packs available

These cards offer a practical solution to randomly group your pupils in a variety of ways.

For example, ask pupils to

**a. match cards colour to colour**

OR

**b. match cards shape to shape**

OR

**c. mix secondary and primary colour packs to match shapes in primary and secondary colours.**
